All in favor Unanimous

**Director's Report:**

Everything is going very well. Budget meeting went very well. Lucy was pleased with that the budget passed. Two employees were given raises that were needed and they were compensated. Discussion about grants.

We have a new masher and a new coffee pot. The money for the masher was donated. Masher will be put in tomorrow. The Grange meets at the Center and offered to install a spotlight and the garden has a new fence – looks much better than the previous one. Our events are well attended. Our bowling team is doing well – they have a great deal of fun playing other teams in the area and meeting new people. Also, the Paradigm Convalescent Home, CVS, Oliver's, Stop & Shop and Dunkin' Donuts donate prizes. Discussion about looking into some type of T-Shirts for the players and where to order them from.

**Unfinished Business:** Joe Thompson asked if subject of an alternate member came up. Rev. Norman stated she will look into it.

**New Business:** – Discussion on the sidewalk in the back of the building. It was suggested it is too long and could there possibly be an opening at the point that would bring people closer to getting into the building. Also, Hotchkiss Field – the walk area needs upgrading – at some places it is very uneven.

**Bus Report:**

Bus reports for January thru May of 2011 were distributed to members. Motion to accept the bus reports made by Eileen Flanagan, seconded by Inez Bramhall. All in favor. Unanimous

**Senior Report:** Lucy has many bus trips planned. Paradigm brings lunch for us and provides us with interesting subjects on health such as diabetes and the next one on depression. Every month new people sign up for the Center.

**Public Participation:** None

**Adjournment:**

Motion to adjourn the meeting was made by Joe Thompson, seconded by Bernice Wilson. The meeting adjourned at 10:45 A.M.

Next month's meeting will be on August 1, 2011 at 10:00 A.M.
